

**P4**

Good morning boys and girls,

I hope you are all enjoying your time at home, it is still strange not being able to get into school to see everyone. I really miss seeing you and listening to your stories, especially on Monday mornings!

Over the Easter holidays it was very different not being able to go out anywhere.

I've been doing a lot of gardening and playing a lot more with my dogs Anya and Toby and of course my three daughters!

I think the dogs are really enjoying having everyone home all day!

Here is a picture of them in the garden!

My goodness P4, you have all been very busy working at home. Mrs Dunlop and Mrs England have told me about all the different things you have been working on last week – fractions, measures, comprehension, story settings, reading fables, making art using natural materials, Covid 19 information posters, reading along with the story of treasure island and learning about the miracles in RE! I am really impressed with everything you have been doing – I hope you have had fun working at home. I have seen some of your amazing posters on our school website – they are fabulous!

Don't forget to keep sending pictures of your work, it is lovely to see the things you are doing at home.

I know it is hard not getting out to visit family and friends but I just want to make sure you know how proud I am of you all for being so good and working so hard for your parents at home. We all miss you very much and hope it isn't too long before we can get to see each other again.

Thinking about you,

Mrs Watson
